Friday 19th January 2024

Dear Parents and Carers,

This week, we were really excited to hold the first of our Federation Tuesdays at Melsonby school. What made it even more exciting this week was the flurry of snow which caused some big smiles!

Throughout the day, our KS1 children enjoyed working together during science to find out more about animals and their offspring.

Whilst KS1 were getting busy with their Phonics, KS2 got stuck into their gymnastics learning as part of their P.E. A favourite part of the day for most!

Our school council's had their first face to face meet and have started putting in some plans for fundraising events later this term. They are writing some communication to be shared with you next week.

We are looking forward to next week's Federation day already!

Have a lovely weekend!

Mrs Robinson

Federation Notices

School Start Times
Please ensure children are in school at 8:40 ready for the start of school at 8:45.

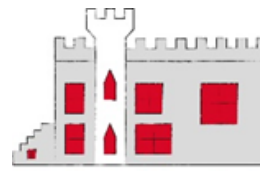

Parents Evenings
These will take place in the Week Commencing 26th February. Dates, times and booking information to be sent out next week.

News

How have we 'Lived Life in all its Fullness' this week?

This week, our Library re-opened with some new and exciting books.

As well as a wide range of non-fiction texts to support our foundation subjects, we have got some beautiful fiction books related to our History and Science learning this term. Class 1 have loved hearing some of these stories at the end of the day.

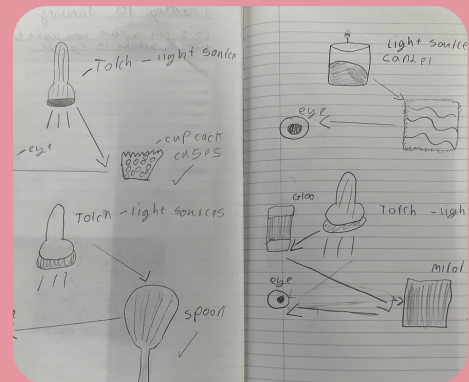

Deadlines and Reminders

- P.E Days for Class 1 are on a Tuesday and a Thursday
- P.E days for class 2 are on a Tuesday and a Wednesday.

News

We saw some super science this week from our KS2 children when they began their new units of learning on Light. The children were able to retrieve previous knowledge and vocabulary really well and apply this to their new learning. Frances produced some great detailed diagrams to help her explain how light travels. Well done Frances!

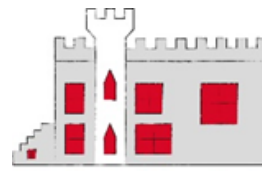

As part of their PSHE this week, our KS1 boys have been learning about healthy bodies and teeth. They set up their own experiment using egg shells, orange juice, coke and water to look at the affect these have on our teeth.

Deadlines and Reminders

- P.E Days are on a Tuesday and a Friday.
- Homework is due in on a WEDNESDAY please.
- **Change to PE days at NSC for next week only.**
- **ALL chn to come in PE on Monday in place of Friday**
- KS2 Reading Records have been updated to highlight which words that children can spell. Please support them in learning the un-highlighted words to strengthen their written work.
