Friday 6th September 2024

Dear Parents and Carers,

Firstly, welcome back! It is so lovely to see all of the children back and welcome our new faces to Reception. The children have settled back into routines so well this week and we are extremely proud of the way they have come back to school showing responsibility and an eagerness to learn.

This week, we started the school year by looking at a book called 'The Important Thing' and used this as a stimulus to create our own poems about the most important thing about school. Some of the children's ideas included making friends, eating delicious food, break and lunchtimes and learning. We are looking forward to publishing these for each of our schools very soon!

Have a lovely weekend!

Mrs Robinson

Federation Notices

Next week, on Thursday 12th and Friday 13th September, we will have a photographer in school, who will be working with us to create some promotional videos and photos to help publicise our wonderful schools. We are really excited about this but will need to ask that children come in school uniform on these days and bring with their P.E kit. This is for this week only!

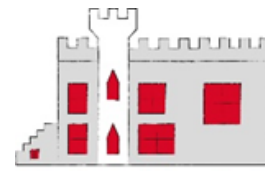

We will ensure that anyone who does not have permission is not included in any of the shots.

News

How have we
'Lived Life in all its Fullness' this
week?

Our new reception children have loved exploring their new surroundings and having the support of their older classmates has made their transition into school really successful and enjoyable.

We have been blown away by the way in which they have come into school this week and settled so quickly. A big well done to them!

Deadlines and Reminders

News

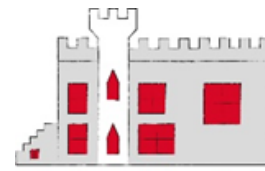

Our new reception children have really enjoyed exploring the provision this week. Number fishing, creating performances at the puppet theatre, taking part in dance routines and tackling some Mastering Number work have just been some of the things that they have loved being a part of this week. Well done Reception!

Meanwhile our Year 2 boys and KS2 girls have been getting straight back into the swing of things with spellings, times tables and writing about their summer holiday experiences.
